Executive Director Jack Fowler

Licensed Long-Term Care Administrator
Clinical Director, Kansas Soldiers' Home at Fort Dodge

Vacancy Announcement

The Kansas Commission on Veterans' Affairs, a state agency, is currently seeking qualified applicants for the position of unclassified, **Clinical Director (Long-Term Care Administrator)** of the Kansas Soldiers' Home at Fort Dodge, Kansas.

Qualified applicants will be licensed in accordance with K.S.A. 65-3501 and will have proven leadership experience in a Medicare and Medicaid facility.

This position reports directly to the Superintendent of the Kansas Soldiers' Home at Fort Dodge. The Kansas Soldiers' Home is a state owned and operated facility and is annually surveyed by the Kansas Department on Aging, the Veterans' Administration, the State Fire Marshall and periodic internal/external state agency audits.

The State of Kansas offers an excellent benefits package including medical, prescription, dental and vision coverage, life, death and disability insurance, and retirement plans. Salary is negotiable and includes housing at Fort Dodge.

If you are passionate about serving veterans in a rural area; are committed to facilitating culture change; developing a team approach to a person centered care model; and insuring that the facility meets all federal and state regulations, then send your resume, verification of licensure, salary expectation and two professional references to:
