Deputy Commissioner Veterans Affairs – Veterans Health Care

The Minnesota Department of Veterans Affairs (MDVA) is a cabinet level state agency dedicated to serving Minnesota veterans and their families. MDVA has two divisions, Veterans Healthcare and Veterans Programs and Services. The Veteran's Healthcare Division operates five (5) Veterans Homes located throughout the State and is responsible to provide quality care services for Veterans and qualified spouses. Each Home is managed by a licensed Nursing Home Administrator. These administrators, along with several administrative managers (including Communications, Finance, Human Resources, Information Technology, Legislative Affairs and others) report to this position. This position reports to the Commissioner, who is appointed by the Governor. The MDVA operates on a biennial budget cycle which consists of State general funds, Federal funds, miscellaneous revenues and donations. The Healthcare Division's biennial budget is \$191+ million and employs about 1500 staff.
