## *“Caring for America’s Heroes”*

March 19, 2020

Dear NASVH Member:

Due to the Corona Virus (COVID-19) pandemic and in the best interest of our members, the Summer Conference Committee has recommended re-scheduling the conference. As President of NASVH, I agree this is the best decision and you know that as leaders it is the right decision.

The new dates for the conference are August 17-21, 2020, same location, same hotel room rate.

For those who have made reservations already, the Hotel will move them into the new block with no charge to our members.

Canceling the conference is not what we would like to do. However, this is a constantly evolving situation and we may have to cancel it all together. We agreed that by moving the conference out one month it will give us time to make a more informed choice as how to move forward during these uncertain times.

If flights have been made, please check with your airlines, as many are not charging fees or penalties to change your flights. The flights we have looked at are actually cheaper than our original plans.

Our hope is that this early change will allow our vendors to make the necessary changes to attend as planned.

I welcome any concerns, feedback or thoughts you might have.

Sincerely,

Mark Bowman  
NASVH President
