~

### Manchester Grand Hyatt

The Manchester Grand Hyatt consists of two towers, the 40-story Harbor Tower built in 1992 and the 33-story Seaport Tower which was added in 2003. Starting in 2012, all of the guest rooms and suites had a complete renovation when the property was transferred to new ownership. A four-story building with a rooftop pool connects the towers to each other. The hotel's 1,628 guest rooms each have partial water or city views, and many offer views of the Pacific Ocean. The hotel has three bars: the Top of the Hyatt, Brew 30, and the Grand Lobby Bar. The third floor holds a spa & salon with its own private pool and the fourth floor holds the general swimming pool, whirlpools, and sun decks for all guests.

### Reservations

Click on this link to make your Reservations ~ negotiated room rate of \$254.00 per night

<https://www.hyatt.com/en-US/group-booking/SANRS/G-NASV>

**Please make your hotel reservation prior to July 16, 2022 to get the negotiated room rate**

This registration is for NASVH Member's only; Exhibitors must register through the Exhibit Kit located on NASVH.org

**Please see page two and register with Jack Tarter via e-mail - prior to July 16, 2022**  
then mail page two and payment to the address listed on the bottom of the page.

NASVH strongly encourages all members to attend all meal functions listed on the agenda and visiting with all of the exhibitors and sponsors at the show. We are trying to keep this conference and the educational benefit cost to you the members to a minimum, so plan on attending these events. We have modified the agenda to give you more time to see San Diego so plan accordingly. The sponsors and exhibitors have traveled, sponsored and contributed to this conference, please visit with them and earn your continuing educational credits. Thank You!
